

As you may know, the National Labor Relations Board, an independent federal agency whose members are appointed by the President, filed suit against the Boeing corporation saying they should not be allowed to open a new factory in neighboring South Carolina instead of in Washington state. Like North Carolina, South Carolina is a right-to-work state while Washington state is not.

CIVITAS INSTITUTE NORTH CAROLINA STATEWIDE STUDY / JULY 12-13, 2011

Governor Nikki Haley and 15 other governors sent a letter to the National Labor Relations Board asking it to dismiss its complaint against Boeing. Do you think Governor Perdue should take similar action to prevent the National Labor Relations Board from interfering in North Carolina's job creation efforts in the future?
