NORTH CAROLINA STATEWIDE STUDY / MAY 5-7, 2015

The Taxpayer Protection Act would limit the growth of spending by North Carolina's State government. State spending would be allowed to grow only enough to keep up with inflation and population growth. Do you support or oppose the Taxpayer Protection Act?

NORTH CAROLINA STATEWIDE STUDY / MAY 5-7, 2015

North Carolina currently collects more in taxes on gasoline and car sales than it spends on highway improvement. The excess revenue is spent on other state programs. Should taxes collected from highway users be spent only for improving highways, or should the money be spent for other uses as well?
