

NORTH CAROLINA STATEWIDE STUDY / MAY 21-23, 2016

Which of the following statements best reflects your view of the recently passed House Bill 2?

House Bill 2 offers protection of individual privacy and safety in public restrooms and locker rooms, and protects the rights of business owners to make workplace decisions without government interference

...or...

House Bill 2 unjustly discriminates against individuals based on their self-perceived gender and prevents cities from enacting ordinances that would provide open access to public restrooms and locker rooms
