

Currently there is a bill in the legislature that would lower the state's individual income tax rate from 5.499 percent to 5.35 percent. It would also cut taxes in other ways, such as increasing the standard deduction from \$17,500 to \$20,000 for married couples filing jointly, and \$8,750 to \$10,000 for single filers. Would you support or oppose this bill to cut state income taxes?
