Q. The North Carolina state government is required to balance its budget every year. The current economic shutdown will make that very difficult. While the state does have significant savings set aside, that will likely not be enough. Which approach would you prefer the state take to balance its budget during the current crisis?

	Voter Likelihood		
	Extremely likely	Very likely	Somewhat likely
Spending cutbacks to non-health related state agencies	47.44%	40.44%	43.07%
Tax increases to attempt to raise more revenue	16.21%	14.25%	25.84%
